

AMENDED IN ASSEMBLY MARCH 21, 2011

CALIFORNIA LEGISLATURE—2011–12 FIRST EXTRAORDINARY SESSION

Assembly Constitutional Amendment

No. 2

Introduced by Assembly Member Blumenfield

March 14, 2011

Assembly Constitutional Amendment No. 2—A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by adding Section 36 to Article XIII thereof, relating to local government finance.

LEGISLATIVE COUNSEL'S DIGEST

ACA 2, as amended, Blumenfield. The Schools and Local Public Safety Protection Act of 2011.

(1) Existing law, until July 1, 2011, imposes a state sales and use tax on retailers and on the storage, use, or other consumption of tangible personal property in this state at the rate of 7 ¼% of the gross receipts from the retail sale of tangible personal property in this state and of the sales price of tangible personal property purchased from any retailer for storage, use, or other consumption in this state. Existing law reduces the state sales and use tax rate by 1% on July 1, 2011.

The Vehicle License Fee Law establishes, until July 1, 2011, in lieu of any ad valorem property tax upon vehicles, an annual license fee for any vehicle subject to registration in this state in the amount of 1.15% of the market value of that vehicle, as provided. Existing law, on and after July 1, 2011, reduces that rate to 0.65%.

This measure would extend the existing sales and use tax rate and vehicle license fees until July 1, 2016, and would deposit the revenues derived from the increase in those taxes into the Local Revenue Fund 2011, established by this measure, to be appropriated by the Legislature

to fund the provision of public safety services, as described, by local agencies pursuant to the 2011 Realignment Legislation, as defined. This measure would also provide that the assignment of responsibilities to local agencies under the 2011 Realignment Legislation shall not be reimbursable as a new program or higher level of service, but would require reimbursement to local agencies resulting from subsequent state actions under certain circumstances. This measure would further state that local agency costs increased in complying with statutory open meeting requirements shall not be deemed a reimbursable state mandate.

This measure would additionally provide, when the rates in the above-described taxes cease to be operative, for the appropriation of state funds in an equivalent amount to fund the provision of Public Safety Services.

(2) The Personal Income Tax Law imposes taxes based upon taxable income. That law also allows credits for personal exemptions, and imposes an alternative minimum tax, as specified. Existing law, for taxable years beginning on or after January 1, 2009, and before January 1, 2011, decreased the amount allowable as a credit for personal exemption for dependents, increased the tax rate applicable to taxable income, and increased the alternative minimum tax rate, as provided.

This measure would continue the decrease in the amount allowable as a credit for personal exemption for dependents, the increase in the tax rate applicable to taxable income, and the increase in the alternative minimum tax rate for taxable years beginning before January 1, 2016. This bill would require the Controller to deposit 6.5% of the net personal income tax receipts, as defined, into the Education Protection Account, established by this measure. Funds in the account would be appropriated by the Legislature for the support of school districts and community college districts, and would apply to the state's constitutional minimum funding obligation under Proposition 98.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.

1 *Resolved by the Assembly, the Senate concurring,* That the
 2 Legislature of the State of California at its 2011–12 First
 3 Extraordinary Session commencing on the sixth day of December
 4 2010, two-thirds of the membership of each house concurring,
 5 hereby proposes to the people of the State of California, that the
 6 Constitution of the State be amended as follows:

1 First—This measure shall be known and may be cited as “The
2 Schools and Local Public Safety Protection Act of 2011.”

3 Second—Purpose and Intent:

4 (a) The chief purpose of this measure is to protect schools and
5 local public safety by keeping certain 2010 taxes. These taxes shall
6 be placed in dedicated special funds and constitutionally required
7 to be used exclusively for schools and local public safety.

8 (b) This measure is part of a broader state budget plan that makes
9 billions of dollars in permanent cuts to State spending.

10 (c) The measure guarantees solid, reliable funding for schools,
11 community colleges, and public safety.

12 (d) This measure keeps sales and use taxes, vehicle license fees,
13 and income taxes at the same rates that were in effect in 2010, and
14 requires that these tax rates automatically drop to 2008 levels in
15 five years.

16 (e) This measure also promotes transparency and supports
17 improved outcomes in the delivery of public safety services.

18 (f) All revenues from this measure are subject to audit by the
19 independent Controller to ensure that they will be used only for
20 schools and local public safety.

21 (g) This measure guarantees that local governments will continue
22 to receive funding for public safety services even after the tax rates
23 drop to their 2008 levels.

24 Third—That Section 36 is added to Article XIII thereof, to read:

25 SEC. 36. (a) For purposes of this section:

36 of those children; providing adoption services, providing
37 transitional housing and other services to emancipated youth, and

5 (2) “2011 Realignment Legislation” means legislation enacted
6 on or before October 9, 2011, to implement the state budget plan,
7 that is entitled 2011 Realignment and provides for the assignment
8 of Public Safety Services responsibilities to local agencies,
9 including related reporting responsibilities. The legislation shall
10 provide local agencies with maximum flexibility and control over
11 the design, administration, and delivery of Public Safety Services
12 consistent with federal law and funding requirements, as
13 determined by the Legislature.

14 (b) (1) The sales tax described in subdivision (a) of Section
15 6051.7 of the Revenue and Taxation Code, as that section read on
16 January 1, 2011, shall continue in operation on and after July 1,
17 2011, and shall cease to be operative on July 1, 2016.

18 (2) The use tax described in subdivision (a) of Section 6201.7
19 of the Revenue and Taxation Code, as that section read on January
20 1, 2011, shall continue in operation on and after July 1, 2011, and
21 shall cease to be operative on July 1, 2016.

22 (3) The Sales and Use Tax Law, including any amendments
23 enacted on or after the effective date of this section, shall apply to
24 the taxes imposed pursuant to this subdivision.

25 (4) The continuation of the sales and use taxes described in this
26 subdivision maintains and does not increase the 2010 sales and
27 use tax rates.

28 (c) (1) (A) (i) The amount of the license fee described in
29 paragraph (2) of subdivision (a) of Section 10752 of the Revenue
30 and Taxation Code, as amended by Section 4 of Chapter 18 of the
31 Third Extraordinary Session of the Statutes of 2009, shall continue
32 in operation on and after July 1, 2011, and shall cease to be
33 operative on July 1, 2016.

34 (ii) Section 10752 of the Revenue and Taxation Code, as added
35 by Section 5 of Chapter 18 of the Third Extraordinary Session of
36 the Statutes of 2009, shall not become operative until July 1, 2016.

37 (B) (i) The amount of the license fee described in paragraph
38 (2) of subdivision (a) of Section 10752.1 of the Revenue and
39 Taxation Code, as amended by Section 6 of Chapter 18 of the
40 Third Extraordinary Session of the Statutes of 2009, shall continue

1 in operation on and after July 1, 2011, and shall cease to be
2 operative on July 1, 2016.

3 (ii) Section 10752.1 of the Revenue and Taxation Code, as added
4 by Section 7 of Chapter 18 of the Third Extraordinary Session of
5 the Statutes of 2009, shall not become operative until July 1, 2016.

6 (C) The amount of the license fee described in subdivision (a)
7 of Section 10752.2 of the Revenue and Taxation Code, as that
8 section read on January 1, 2011, shall continue in operation on
9 and after July 1, 2011, and shall cease to be operative on July 1,
10 2016.

11 (2) The Vehicle License Fee Law, including any amendments
12 enacted on or after the effective date of this section, shall apply to
13 the fees imposed pursuant to this subdivision.

14 (3) The continuation of the vehicle license fee described in this
15 subdivision maintains and does not increase the 2010 vehicle
16 license fee.

17 (d) (1) All revenues derived from the continuation of the taxes
18 described in subdivisions (b) and (c), less refunds and costs of tax
19 and license fee collection and deposit, shall be deposited into the
20 Local Revenue Fund 2011, which is hereby created in the State
21 Treasury.

22 (2) Funds deposited in the Local Revenue Fund 2011, less costs
23 of administering the fund, shall be continuously appropriated by
24 the Legislature exclusively to fund the provision of Public Safety
25 Services by local agencies. Pending full implementation of the
26 2011 Realignment Legislation, funds may also be used to reimburse
27 the State for costs incurred in providing Public Safety Services on
28 behalf of local agencies. The methodology for allocating funds to
29 local agencies and reimbursing state costs shall be specified in the
30 2011 Realignment Legislation.

31 (3) The county treasurer, city and county treasurer, or other
32 appropriate official shall create a County Local Revenue Fund
33 2011 within the treasury of each county or city and county. The
34 money in each County Local Revenue Fund 2011 shall be
35 exclusively used to fund the provision of Public Safety Services
36 by local agencies as specified by the 2011 Realignment Legislation.

37 (4) Notwithstanding Section 6 of Article XIII B, or any other
38 constitutional provision, a mandate of a new program or higher
39 level of service on a local agency imposed by the 2011
40 Realignment Legislation, or by any regulation adopted or any

1 executive order or administrative directive issued to implement
2 that legislation, shall not constitute a mandate requiring the State
3 to provide a subvention of funds within the meaning of subdivision
4 (b) of that section. Any requirement that a local agency comply
5 with Chapter 9 (commencing with Section 54950) of Part 1 of
6 Division 2 of Title 5 of the Government Code, with respect to
7 performing its Public Safety Services responsibilities, or any other
8 matter, shall not be a reimbursable mandate under Section 6 of
9 Article XIII B.

10 (5) (A) Legislation enacted after October 9, 2011, that has an
11 overall effect of increasing the costs already borne by a local
12 agency for programs or levels of service mandated by the 2011
13 Realignment Legislation shall apply to local agencies only to the
14 extent that the State provides annual funding for the cost increase.
15 Local agencies shall not be obligated to provide programs or levels
16 of service required by legislation, described in this subparagraph,
17 above the level for which funding has been provided.

18 (B) Regulations, executive orders, or administrative directives,
19 implemented after October 9, 2011, that are not necessary to
20 implement the 2011 Realignment Legislation, and that have an
21 overall effect of increasing the costs already borne by a local
22 agency for programs or levels of service mandated by the 2011
23 Realignment Legislation, shall apply to local agencies only to the
24 extent that the State provides annual funding for the cost increase.
25 Local agencies shall not be obligated to provide programs or levels
26 of service pursuant to new regulations, executive orders, or
27 administrative directives, described in this subparagraph, above
28 the level for which funding has been provided.

29 (C) Any new program or higher level of service provided by
30 local agencies, as described in subparagraphs (A) and (B), in excess
31 of the provided fundings, shall not require a subvention of funds
32 by the State nor otherwise be subject to Section 6 of Article XIII B.
33 This paragraph shall not apply to legislation currently exempt from
34 subvention under paragraph (2) of subdivision (a) of Section 6 of
35 Article XIII B.

36 (D) The State shall not submit to the federal government any
37 plans or waivers, or amendments to those plans or waivers, that
38 have an overall effect of increasing the cost borne by a local agency
39 for programs or levels of service mandated by the 2011
40 Realignment Legislation, except to the extent that the plans,

1 waivers, or amendments are required by federal law, or the State
2 provides annual funding for the cost increase.

3 (E) The State shall not be required to provide a subvention of
4 funds pursuant to this paragraph for a mandate that is imposed by
5 the State at the request of a local agency or to comply with federal
6 law. State funds required by this paragraph shall be from a source
7 other than those described in subdivisions (b), (c), and (e), ad
8 valorem property taxes, or the Social Services Subaccount of the
9 Sales Tax Account of the Local Revenue Fund.

10 (6) (A) For programs described in subparagraphs (D) to (F),
11 inclusive, of paragraph (1) of subdivision (a) and included in the
12 2011 Realignment Legislation, if there are subsequent changes in
13 federal statutes or regulations that alter the conditions under which
14 federal matching funds as described in the 2011 Realignment
15 Legislation are obtained, and have the overall effect of increasing
16 the costs incurred by a local agency, the State shall annually
17 provide at least 50 percent of the nonfederal share of those costs
18 as determined by the State.

19 (B) When the State is a party to any complaint brought in a
20 federal judicial or administrative proceeding that involves one or
21 more of the programs described in subparagraphs (D) to (F),
22 inclusive, of paragraph (1) of subdivision (a) and included in the
23 2011 Realignment Legislation, and there is a settlement or judicial
24 or administrative order that imposes a cost in the form of a
25 monetary penalty or has the overall effect of increasing the costs
26 already borne by a local agency for programs or levels of service
27 mandated by the 2011 Realignment Legislation, the State shall
28 annually provide at least 50 percent of the nonfederal share of
29 those costs as determined by the State. Payment by the State is not
30 required if the State determines that the settlement or order relates
31 to one or more local agencies failing to perform a ministerial duty,
32 failing to perform a legal obligation in good faith, or acting in a
33 negligent or reckless manner.

34 (C) The state funds provided in this paragraph shall be from
35 funding sources other than those described in subdivisions (b), (c),
36 and (e), ad valorem property taxes, or the Social Services
37 Subaccount of the Sales Tax Account of the Local Revenue Fund.

38 (7) If the State or a local agency fails to perform a duty or
39 obligation under this section or under the 2011 Realignment

1 Legislation, an appropriate party may seek judicial relief. These
2 proceedings shall have priority over all other civil matters.

3 (8) The funds deposited into a County Local Revenue Fund
4 2011 shall be spent in a manner designed to maintain the State's
5 eligibility for federal matching funds, and to ensure compliance
6 by the State with applicable federal standards governing the State's
7 provision of Public Safety Services.

8 (9) The funds deposited into a County Local Revenue Fund
9 2011 shall not be used by local agencies to supplant other funding
10 for Public Safety Services.

11 (10) This section shall not be construed to prevent the
12 Legislature from subsequently imposing a fee or tax enacted in
13 accordance with this Constitution.

14 (e) When the taxes described in subdivisions (b) and (c) cease
15 to be operative, the State shall annually provide moneys to the
16 Local Revenue Fund 2011 in an amount equal to or greater than
17 the aggregate amount that otherwise would have been provided
18 by the taxes described in subdivisions (b) and (c). The method for
19 determining that amount shall be described in the 2011
20 Realignment Legislation, and the State shall be obligated to provide
21 that amount for so long as the local agencies are required to
22 perform the Public Safety Services responsibilities assigned by
23 the 2011 Realignment Legislation. If the State fails to annually
24 appropriate that amount, the Controller shall transfer that amount
25 from the General Fund in pro rata monthly shares to the Local
26 Revenue Fund 2011. Thereafter, the Controller shall disburse these
27 amounts to local agencies in the manner directed by the 2011
28 Realignment Legislation. The state obligations under this
29 subdivision shall have a lower priority claim to General Fund
30 money than the first priority for money to be set apart under Section
31 8 of Article XVI and the second priority to pay voter-approved
32 debts and liabilities described in Section 1 of Article XVI.

33 (f) (1) The tax percentage increase described in paragraph (2)
34 of subdivision (a) and paragraph (2) of subdivision (c) of Section
35 17041 of the Revenue and Taxation Code, as that section read on
36 January 1, 2011, shall continue in operation for taxable years
37 beginning on or after January 1, 2011, and shall cease to be
38 operative for taxable years beginning on or after January 1, 2016.

39 (2) The amount of credit allowed by subparagraph (A) of
40 paragraph (3) of subdivision (d) of Section 17054 of the Revenue

1 and Taxation Code, as that section read on January 1, 2011, shall
2 continue in operation for taxable years beginning on or after
3 January 1, 2011, and shall cease to be operative for taxable years
4 beginning on or after January 1, 2016.

5 (3) (A) The tax percentage described in clause (iii) of
6 subparagraph (A) of paragraph (3) of subdivision (b) of Section
7 17062 of the Revenue and Taxation Code, as that section read on
8 January 1, 2011, shall continue in operation for taxable years
9 beginning on or after January 1, 2011, and shall cease to be
10 operative for taxable years beginning on or after January 1, 2016.

11 (B) Clause (iv) of subparagraph (A) of paragraph (3) of
12 subdivision (b) of Section 17062 of the Revenue and Taxation
13 Code, as that section read on January 1, 2011, shall be operative
14 only for taxable years beginning on or after January 1, 2016.

15 (4) The continuation of the tax rates and credit amounts allowed
16 pursuant to this subdivision maintains and does not increase the
17 2010 personal income tax rate.

18 (5) For taxable years beginning before January 1, 2012, an
19 addition to tax shall not be imposed under Section 19136 of the
20 Revenue and Taxation Code, as that section read on January 1,
21 2011, with respect to an underpayment to the extent that the
22 underpayment was created or increased by this subdivision.

23 (g) (1) Beginning July 1, 2011, and ending July 1, 2016, the
24 Controller shall deposit 6.5 percent of monthly net personal income
25 tax receipts, within the meaning of Section 19602.5 of the Revenue
26 and Taxation Code, as that section read on January 1, 2011, into
27 the Education Protection Account, which is hereby created in the
28 State Treasury. Notwithstanding any other provision of this
29 Constitution, these moneys shall be deemed “General Fund
30 revenues” and “General Fund proceeds of taxes” for the purposes
31 of Section 8 of Article XVI. The deposit of 6.5 percent of monthly
32 net personal income tax receipts is intended to approximate the
33 total amount of additional revenue that is expected to be received
34 from the continuation of tax rates and credit amounts allowed
35 pursuant to subdivision (f).

36 (2) All funds in the Education Protection Account shall be
37 appropriated by the Legislature by statute each year for the support
38 of school districts and community college districts. These
39 appropriations shall be deemed moneys applied by the State for

1 the support of those entities for purposes of Section 8 of Article
2 XVI.

3 (h) The Controller, pursuant to his or her statutory authority,
4 may perform audits of expenditures from the Local Revenue Fund
5 2011, any County Local Revenue Fund 2011, and the Education
6 Protection Account to ensure that those funds are used and
7 accounted for in a manner consistent with this section.

8 Fourth—This measure shall take effect the day after the election
9 in which it is approved by a majority of the voters voting on the
10 measure and shall be operative as provided by Section 36 of Article
11 XIII of the California Constitution.
